

Safety Data Sheet

Identity (as used on label or list) Rosy Soil Houseplant Rosy Soil Cactus & Succulent Rosy Soil Seedling Rosy Soil Plant Food Rosy Soil Biochar Booster Rosy Soil Herb Rosy Soil Aroid Rosy Soil Orchid Manufacturer: Rosy Soil PBC 228 Park Ave S PMB 28244 New York, New York 10003-1502 US	Emergency Telephone Number: 773-633-9088 Information Telephone Number: 773-633-9088 Date Prepared 1/1/2024
Section 2- Ingredients / Identity Information	
May contain Fir and/or Pine Bark, Compost, Pumice, Organic Amendments, Worm Castings, Sand, Rock Dust, Biochar, Kelp Meal & Lime Note: Product is considered as a “nuisance dust” or “particulates not otherwise classified” (PNOC). See product label for ingredients and product specific information for use.	
Section 3 - Physical / Chemical Characteristics	
Boiling Point: N/A Vapor Pressure (aa Hg): N/A Vapor Density (Air = 1): N/A Solubility in Water: N/A Appearance and Odor: Brown, Earthy	Specific Gravity (H2O=1) N/A Melting Point: N/A Evaporation Rate (Butyl Acetate + 1): N/A pH: 6.5 to 7.5 Density: 20–40 lb/cubic foot
Section 4 - Fire and Explosion Hazard Data	
Flash point: Flammable Extinguishing Media: Use suitable agent for surrounding fire. Special Fire Fighting Procedures: Use self-contained breathing apparatus for fire fighters. Unusual Fire and Explosion Hazards: Avoid production of an extremely dusty air space in areas of local burning or electrical sparking	Flammable Limits: N/A LEL: N/A UEL: N/A

Section 5 - Reactivity Data			
Stability:	Stable		
Incompatibility (Products to Avoid):	None known		
Hazardous Decomposition or Byproducts:	High temperatures or fire may produce irritating gases and vapors.		
Hazardous Polymerization:	Will Not Occur		
Condition to Avoid:	Sparks or open flame		
Section 6- Health Hazard Data			
Route(s) of Entry	Inhalation: Avoid	Skin: Avoid Open Wound	Ingestion: Do Not Eat
Health Hazard:	Prolonged contact may be mildly irritating to skin, eyes and respiratory mucous membranes.		
Carcinogenicity:	N/A		
Signs and Symptoms of Exposure:	Inhalation of large amount of dust will cause temporary breathing problem. Ingestion of moderate amounts can cause nausea and vomiting.		
Section 7- Precaution for Safe Handling and Used			
Steps to be taken in case material is released or spilled:	Sweep up with broom or remove with vacuuming.		
Waste Disposal Method:	Comply with local disposal regulations.		
Precaution to be taken in handling and storing:	Wash thoroughly after handling and before eating. Store in dry area.		
Other Precautions:	Avoid eye contact or prolonged skin contact		
Section 8- Control Measures			
Respirator Protections:	Dust Mask with organic vapor filter may be used if excessive dust is bothersome.		
Ventilation:	Local Exhaust		
Protective Gloves:	Gardening gloves recommended		
Eye Protection:	Goggles Recommended		
Other Protective Clothing or Equipment:	Long sleeves or other clothing to avoid unnecessary contact with skin.		
Work / Hygienic Practices:	Wash to remove dust after use		

All information appearing herein is based upon data obtained from the manufacturer, similar industry, and/or recognized technical sources. While the information is believed to be accurate as of the effective date given above, Rosy Soil makes no representations as to its accuracy or sufficiency. Conditions of use are beyond Rosy Soil's control. Therefore, users are responsible for determining whether under their own operating conditions the product is suitable for their particular use. Users assume all risks of use, handling, and disposal of the product.
